 [This Week on Kickstarter](#)

April 11, 2013

This week we're introducing [Backing & Hacking](#), our new engineering blog where we geek out about what it takes to build, run and maintain Kickstarter. While the devs are busy blogging, we're back with three projects we think you'll love!

 [Assemble Rubber Stamping Kits!](#)

Rubber fun

When Andie and Emily asked their friends what they wanted them to make, the answer was simple: stamp kits! And so the DIY duo are working hard on creating a brand new kit full of adorable stamp designs. There's even a special edition Kickstarter stamp!

by Landfill Harmonic

 Category Film & Video

 Location Los Angeles, CA

Recycled Orchestra

Landfill Harmonic is the heartfelt story of what happens when a garbage picker in Paraguay starts turning trash into instruments. The answer is the Recycled Orchestra, a group of local kids who play violins and violas made from trash collected in their area.
