Hi Rich,

Give me a call and let me know what else you need. The AUM is equity in house and does not include the capital subject to a call. The GMV #s are from my time at Sigma where there was no fixed equity base so it is the value of longs plus shorts.

Have a great day.

Wayne

Hi Rich,

I enjoyed our meeting as well. I will get the info you mentioned on Friday put together. Also can you tell me what the relationship is between your firm HBRK and Jeffrey and if the money Jeffrey would invest in Ridgeback would be his own personal money or if it would come from a fund he manages for others etc. See you again soon.

Thanks,
Wayne
