Dogs are welcome in this hotel.  
We never had a dog that  
smoked in bed and set fire to  
the blankets. We never had a  
dog that stole our towels and  
played the T.V. too loud, or had  
a noisy fight with his traveling  
companion. We never had a  
dog that got drunk and broke  
up the furniture....So if your  
dog can vouch for you, you're  
welcome too. *The Management*
