Hi Karyna,

We thankfully were able to stop the production of the above two orders! The artist updated the proofs so that the image you are seeing is actual size.

Can you let me know if these are OK to proceed? These are more along the lines of what you had originally seen on the digital image. Let me know and we will release these back into production!

As for the grey pant received, I will be back in touch with information on how to proceed.

Thanks!
