Hey Bossman,

Picture 2 are the exact ones we have on island already (6 for \$69.99) which would be 83 boxes (498 lights in total) 11.66ea.

Pic 1: Looks really nice and it's much smaller in size and still fancy.

Pic 2: Would be ideal because we already have them and we will always have backup in case any of them go bad.

Pic 8: Is really nice and they might blend in with the rocks & stones because of the color but I'm not too sure how you would feel about it being chrome.

Please advise,
Ann R.
