Featured Speaker

Bjorn Lomborg (Czech Republic)
Environmentalist; Director of the Copenhagen Consensus think tank

"Limits to Growth: still wrong, still influential"
(November 29, 9:00am)

This week, meet [Bjorn Lomborg](#). Dr Lomborg researches the smartest ways to improve the environment and the world; Named one of the world's 100 most influential people by Time Magazine; Adjunct Professor at Copenhagen Business School.

At Ci2013, Bjorn will be presenting a keynote speech titled *"Limits to Growth: still wrong, still influential"*. From the 1970s we thought environmental collapse was imminent. Almost all of our fears were wrong. This does not mean we should not worry about the environment, but that we worry about the wrong things in the wrong way. [Click here to book now.](#)

He will also be participating in the Deep Conversation *"Are you ready to Ready for the Race to the Future?"* (November 27, 7.15-9.45pm) with [Jon Duschinsky](#) (Canada), [Scott Anthony](#) (Singapore), [Peggy Liu](#) (China), [Jason Drew](#) (South Africa) and the audience, moderated by [Robyn Williams](#).

Fairfax Media Special Report on Ci2013

Our Major Media Partner Fairfax Media created a Special Report on Creative Innovation and The Future featuring some of our global speakers' opinions and advice. [Click here](#) to read the series of articles on Creative Innovation 2013.

Help shape the agenda: Share your thoughts with us!

Please [click here](#) to share with us your thoughts on the issues of most importance. The survey will take only 3 minutes. Make sure you respond before Friday, 15 November and we will take your responses to help shape the discussions at Ci2013.

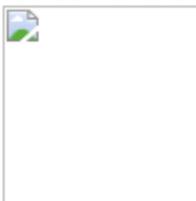

Complimentary target audience profiling valued at \$950 for Ci attendees

Receive a complimentary profile report valued at \$950 from the Roy Morgan Online Store. The profiles are available across a wide range of topics across most industries including Automotive, Banking & Finance, Business, Health & Well-being, Media & Communication, Telecommunications, Technology & many more. These profiles provide a detailed understanding of the target profile in terms of demographics, attitudes, activities & media usage.

Book your places for Ci2013 at (03) 9645 9858 and mention this offer. You will be given the password to redeem your special report.

Does your Super need a makeover? Do the AustralianSuper Makeover

When it comes to super savings, women in Australia are likely to have significantly less than men. The average Australian woman retires with around half the balance of the average man.

Do the AustralianSuper Makeover! It's free and in just a couple of minutes you can find out how you could boost your super by thousands. [Click here](#) now.

"What an inspiring, insightful and inventive conference this was. From entrepreneurship to the latest trends in society and the world; Creative Innovation lived up to its creative and innovative name. Brilliantly organized too!" **Ray Kurzweil**

 What delegates think

 *"In my 30 years of attending conferences this was the best conference ever... inspirational!"*

"I came to learn - I came away inspired! Best conference ever."
Paul Duldig, Vice President University of Adelaide

"I thought the whole conference was first rate. So much stimulus!"
Mark Reading, Partner, PwC
