Student Story

This is Scarlett. She's from Chicago, Illinois. She'd been out of the "math game" for ten years and was about to return to earn her masters in public policy. The curriculum called for a sequence in stats. Before she jumped in, she decided to test the waters with Stat2.1x from UC Berkeley on edX. Read more about how the Stats course sequence exceeded her expectations and share your own story at [\[REDACTED\]](#)
