Dear Jeffrey,

As you will see in the attached invoice, I have provided you with a significant "older brother" discount on all additional items.

In further appreciation for your support and friendship, there are no additional charges for reworking the table supports, kibitzer leather seat cushions, credenza fabric cushion overlay, conference table "Rolls Royce details", redoing one leather seat cushion (removing the original blue piping), leather arm rest covers, various cabinetry items including modifying the aft lavatory trash door, the lavatory/baggage door, etc., conference table leather blotters, metal plated cup holders / leather shroud, rewiring L/H #2 seat switch, i-Phone 5 docking station, etc.....

Lastly, I had GIV model custom made for you as an exact replica including your logo by the entry door; and even upholstered the base in your white leather - Federal Express has identified that it was delivered to your residence and signed for, no one at your home has record of it (Fed Ex receipt attached). Maybe they can double check? (The box was 20" x 20" x 7").

Thank you once again for the opportunity to work with you on this project!

Warm regards,

Eric
