---

Eileen,

On Wed afternoon, Leon asked about the total costs of operating the jet from Jet Aviation – he was surprised at the total.

Attached is the summary of billings from Jet Aviation which shows the amounts paid by Apollo and the amounts paid by Leon (through Avioneta). The total costs for 2012 came to 4.8 million....the amounts paid by Apollo are straight from the Apollo schedule of payments and the amounts paid by Leon through Avioneta tie to the Avioneta account (from Lisa Graziano).

The attached does not include debt service and other costs not billed through Jet Aviation.

The total amount of debt service was \$2,485,000 (principal and interest), improvements \$1,701,000 and other costs (legal, insurance and other costs not billed by Jet) \$498,000. Some of these are one-time costs.

If you or Leon have any questions on the attached, please let me know.

I'm working out of the office today – available by email or cell.

Tom
