Attachments: Epstein_Mediation_Proposal_letter_7-12-13.pdf

Cecile,

Per our conversation yesterday, I have attached a proposal for proceeding with a mediation procedure. I hope that we can move this along expeditiously to a conclusion. I am sure that you would like to get back to spending your time on other matters as would we. Please let me know your thoughts at your earliest convenience.

I hope you recover from your knee injury quickly.

Frank
