Lets wait/send on 5-8
after a followup call, giving them 1 more week to make their
"april" promised production.. Its apparent FBI
Miami or WPB and/or USAO SD Fla significantly lengthen the
ordinary review process. Any letter will loop in the prior
delays as well.

with FBI Liaison: FBI FOIA finished their review,
redactions etc, but it gets sent to a
"reviewing"
agency that is FBI
Southern Fla which has the 2d batch and
is
reviewing to protect 3d party privacy interests given
that the FBI files include so many 3d
parties. Cannot
promise how long review
will take, hopes for May release.
Given
that it is only a production for 1 person without
public interest in how govt works there is no
basis to
expedite according to Liaison. I
will call him for update
in 2d week of May
but absent a lawsuit which will disclose
to
others that we are in process of getting the files that
Govt is protecting in CVRA from jane Does
there is little we
can do to expedite.
