Subject: FW: At the Suggestion of Julie Taymor

Dear Mr. Epstein:

I'm writing at the suggestion of Julie Taymor. Julie is the Honorary Co-Chair of Theatre for a New Audience's capital campaign for the first theatre for Shakespeare and classic drama to be built in New York City since Lincoln Center's 1965 Vivian Beaumont. I understand Julie spoke with you at the recent WWW Conference and you invited us to contact you. Thank you. I would very much appreciate speaking.

As you will read, this is a \$68.5 million campaign. We have raised \$52.7 million to date and are in the final stretch to raise the remaining \$16 million. Attached are two PDF's – a letter from me to you which describes the project and renderings and other materials. These same materials were hand delivered to you yesterday. We are e-mailing duplicate copies for your convenience.

I also wanted to share that a profile on Theatre for a New Audience made for NYC Arts was broadcast July 5 on PBS, and Julie is in it. The link for the segment is: <http://www.nyc-arts.org/showclips/show/id/143>.

I will take the liberty of calling to see if we may arrange a time to meet.

Sincerely,
Jeffrey Horowitz
