form 3 , 4, and all 10k filings do not have the ownership of securities , listed by any other entity other than LEON.(makes the case that the children, received a transfer (gift), even of only a financial interest: and are the real owners extremely difficult) in addition to the tax returns, you guys, if you choose to move forward , should review the change in sec filings that would also have to be done to conform with this new art partnership idea? (144 s etc) careful!!
