Hello Carlos,

Attached you will find the quotation for the triple F300 we talked about yesterday.

The quoted price is for two 25" and one 30" motor (Command Link Plus Single Display Panel and Digital Throttle and Shift) complete with all the standard accessories and propellers, here at Offshore Marine, St. Thomas.

Installation will be invoiced separately.

We have one pair of F300 arriving next week and can have the 30" motor here on Monday, April 23.

I hope this quotation meets your expectations and I look forward to hearing back from you.

Please let me know if you have any questions or if I can be of any further assistance.

Best regards,

Harald Tapp
