Larry Delson called me yesterday and told me he was going to send his monthly retainer in the amount of \$10,000 for March 2012.

In 2012 we have paid 20,000 (jan & feb). If we are going to switch accountants soon then my concern is that 20,000 (or 30,000 if we pay March) is very expensive to file 20 extensions & prepare 15 1099's which were done in January 2012.

Larry also mentioned that you and him were going to get together on your next visit to NY. I am sure Larry is also going to ask about 60,000 that George was requesting.

Please advise if i should pay March retainer in the amount of 10,000.
