## Spotify is Social

---

By connecting **Spotify** to your Facebook account, you'll be able to enjoy rapid music sharing, receive some great music recommendations, and share music with a click. Best of all, it's free!

Just select '**Connect to Facebook**' under the file menu. Then, go to your preferences and make sure you tick '**Show what I listen to in Facebook**'.

Isn't it time you introduced music to your social life?
