To JEE
Requesting Approval to proceed with the repair of Stucco at the Main House and Ranch Central.
Cost:\$26,800.00 plus Tax
Vendor: 3 B's
Quote and Example pictures of damaged areas, attached.

The Plan would be to do Stucco repairs this year and then have paint company do a sample of paint finish to match existing finish on one wall for your approval.
Once paint finish has been approved, then would schedule paint next year in the early spring.

For your consideration
Brice
