Attached is the latest edition of *Tax Topics*. It briefly discusses the recently signed \$1+ trillion budget agreement and its impact on the IRS, along with how decreased IRS funding is adversely affecting taxpayers, according to the National Taxpayer Advocate. It also discusses some proposed changes to New York's estate tax law and its so-called resident trust "loophole." Finally, it has the January and February 7520 rates and the applicable federal mid-term rates for these months.

Stay warm!
