Thank you for signing up for our course, Poetry in America: Whitman.

We are interested in learning more about our participants' backgrounds, interests, and motivations, so we can do the best possible job designing, evaluating and refining this course. Please help us by filling out a short survey related to these goals. As one of the first participants in this new course, your answers will be especially helpful to us.

If you've already completed the survey, please disregard this email. (Also, thank you!)

Thank you in advance for your contributions.
