Happy New Year...

Who is this Handsome young man :-)) Imagine my surprise as I looked through my old photo albums in Iowa, and discover your smiling face looking back at me!

I remember when you sent this to me, but no date on the photo....

Every year I say we'll have coffee this year....I honestly hope it happens in 2011...

Wishing you well....as always.

Life is not measured by the number of breaths we take, but by the moments that take our breath away.
