

# WHO WE ARE

**Buhm Jung Roe, Chief Executive Officer:** Buhm Jung Roe, as Chief Executive Officer, has over 35 years of experience in real estate ownership, acquisition, management, development and construction of numerous residential and commercial properties in New York City. He has extensive private real estate fund managing experience and has syndicated and successfully completed multiple projects in New York City. In addition, he has solid development and construction experience from residential and commercial buildings to luxury condominium buildings from the ground up. He graduated from Seoul National University in Seoul, Korea.

**Louis Katsos, Executive Vice President of Development:** Louis Katsos has over 35 years of experience in the New York real estate and construction management market. A known leader in the industry in New York, he has for over 30 years held senior executive positions with major firms, including Executive Vice President and Chief Operating Officer at Tishman Construction, and President at his own firm, Jekmar Associates, a consulting firm to New York developers. As Project Executive, he has built over 10 million square feet of high rise buildings and, as Corporate Executive, managed the construction of millions more. Mr. Katsos, who holds a B.E. in Civil Engineering and an M.B.A., is a professor at the Cooper Union's Chanin School of Architecture in New York.

**Nicholas Bruzzese, Executive Vice President of Construction:** Nicholas Bruzzese brings nearly 40 years of construction experience and an impressive track record. He has held senior positions at RC Dolner, Lehrer McGovern Bovis, and Tishman Construction. Mr. Bruzzese has directly overseen numerous high profile projects, including the Ritz Carlton in Downtown Manhattan, the New York University Medical Center, and the Rubin Museum of Art.

**Mona Shah, Immigration Attorney & Partner:** Mona Shah is an immigration attorney with over 14 years of experience in US Immigration Law. Ms. Shah was admitted as a Solicitor of the Supreme Court of England & Wales in 1993, and was admitted to the New York Bar and the United States Federal Bar in 1997. Ms. Shah represents many European clients in addition to individual, high profile and corporate clients as well as EB-5 clients from all over the world. Ms. Shah has successfully litigated in courts nationwide including Immigration Appeals in the United States Circuit Courts.

**Arun Nanda, Immigration Consultant & Partner:** Arun Nanda is an entrepreneur with over 25 years of experience as a Business Administrator and Management Analyst, specializing in Immigration Law. He is the owner and president of Astoria Management Consultants Inc, a management consulting firm specializing in various aspects of business including marketing, administration, market research, identification and implementation of software needs. Under his leadership, the company has developed and launched revolutionary web-based EB5 and Regional Center specific specialty immigration case management software, entitled "VisaMagix."

**Lawrence Chan - Vice President of China Operations:**

Lawrence Chan graduated from University of Hawaii with a Bachelor of Business Administration degree in Finance. He is also a computer software engineer educated at Stony Brook University in New York. Lawrence is a seasoned businessman with over 15 years of experience in business finance, management, and operations. He has owned, managed, and operated various companies in different businesses ranging from IT industry, Real Estate, Fashion to Entertainment, Retail, and Tourism.

**John Roe, Vice President:** John Roe focuses on acquisitions and operational management. This includes land and building acquisitions, transactional business, property management and day to day operations. John brings over a decade of experience in the development and management of properties throughout New York City. John received his Bachelor of Science degree in Applied Economics and Management from Cornell University in New York.

**Robert Roe, Vice President:** Robert Roe graduated from the Leonard N. Stern School of Business at New York University. He is responsible for monitoring the sales and marketing efforts for the company's new developments and projects. Prior to working at Roe Development, Mr. Roe evaluated risk in various IPOs and Biotech IPOs throughout the world for National Union in New York.
