If the Seller does not receive a Rejection or an Affirmation from the Buyer within this 48 hour period, or if the Further Deposit is not made by the Buyer as required above, the Buyer shall be deemed to have indicated that it does not wish to proceed with its purchase of the Aircraft and to have issued a Rejection.

SALE AGREEMENT

If for any reason the Sale Agreement is not entered into by the Seller and the Buyer by the Documentation Deadline, as the same hereafter may be extended from time to time by mutual agreement of the Buyer and the Seller, the Transaction Deposit, to the extent already placed by the Buyer with the Escrow Agent, will be repaid in full by the Escrow Agent to the Buyer absolutely and neither the Seller nor the Buyer shall have any further obligation to or right against the other in respect of or arising out of this Offer.

The Seller and the Buyer shall confirm that to the extent that they have used or retained the services of a broker or agent in connection with the Transaction, it shall be severally responsible for the fees of the brokers or agents so used or retained by it and shall indemnify and keep indemnified the other against the same and any claims that might be brought by any person for the same claiming through it.

Standard terms

The Sale Agreement shall contain such other normal terms as are customary in transactions of this nature as required by either party, including as to the right of a party to terminate the Transaction upon Delivery not having occurred as provided above due to the failure of the other to perform its obligations under the Sale Agreement. If the Sale Agreement is so terminated due to Seller failing to deliver the Aircraft to the Buyer in accordance with the terms of the Sale Agreement, or otherwise defaulting in its obligations under the Sale Agreement, the Transaction Deposit shall be returned promptly to the Buyer by the Escrow Agent in full and neither the Seller nor the Buyer shall have any further obligation to or right against the other in relation to the Aircraft and/or its sale and/or purchase pursuant to or arising out of the Sale Agreement; provided, however, that in addition to the refund of the Transaction Deposit, in the event of a termination due to Seller failing to deliver the Aircraft to the Buyer in accordance with the terms of the Sale Agreement, or otherwise defaulting in its obligations under the Sale Agreement, Seller promptly shall reimburse Buyer for all of Buyer's reasonably incurred and properly documented inspection and flight test costs and expenses, and the travel and lodging expenses and the fees of its pilots, consultants and other professionals incurred or billed in connection

with any of this Offer, the Sale Agreement and the performance of the terms hereof and thereof provided, further, however, that that the Seller shall not be required to reimburse any such costs, expenses or fees in excess of US\$75,000 in the aggregate. If the Sale Agreement is so terminated due to Buyer's failure to perform or otherwise defaulting in its obligations under the Sale Agreement (other than as a result of the Seller's failure to deliver the Aircraft to the Buyer in accordance with the terms of the Sale Agreement, or otherwise defaulting in its obligations under the Sale Agreement), the Transaction Deposit shall be forfeited and paid to the Seller by the Escrow Agent.
