Jeffery,

I'm hoping we can meet when your out here next week. Let me know if March 4th works, and I'll make sure to get back from Miami. It would be great to sit face to face for a few minutes to run everything by you.

I'm sure the last thing you have time to do is pour through the redlined response from my lawyer to Fremantle. I just wanted to be completely transparent that I've been offered deals from 20th, WB and now Fremantle. The Fremantle deal give me the most leeway and still allows for me to be a free-ball for network shows. That's the main reason I'm considering it, and it could also work where I make that deal and put our entity into that deal. Obviously it would be best to have fund for overhead and development which would allow me to be independent.

As you know my feature film deals are with Red Crown and Universal Pictures.

I'm looking forward to seeing you and so greatly appreciate you always hearing me out and being a real strong pillar of support! Also always know if I can help you with anything I'm very excited to jump in!

Thank you...

Best,
Barry J
