Good Morning,

I have been informed that we need to have the Bolongo House emptied and cleaned by the end of next week, please review that attached photos and if you could let me know what you would like to be returned to LSJ. We will be working at the Bolongo tomorrow moving all items to the upper floor and would plan to move all items out on Friday the latest Monday next week. We have a number of charities that we can donate items to and receive a tax break, which we can forward for your review

Please note the 2 canopy beds will be used in the Blue & Yellow nap houses, photo showing white & brown lamps, these are already on site, any upholstered furniture will need to be recovered

Thanks

Warmest regards
