Jeffrey,

The Landmark team is doing a business plan on a property in Savannah, Georgia. We will spend most of the week of April 18 in Savannah. The biggest employer by far is Gulfstream. I recall, with humor and admiration, your large Gulfstream purchase a few years back and I realize it did not make you a friend of Teddy Forstmann, however, I thought you might know someone on the Board or in management that could get me an introduction to the Human Resources person where I could get a better understanding of the residential potential of this property.

Jeffrey, if such a contact does not exist, simply discard this email. If it does, let me know what I should do. Either way, I hope your health continues to be good, the smile is still on your face, and the twinkle is still in your eye.

Jerry
