Dear Friends,

As we approach the new year of 5772 and hope for all to be inscribed and sealed for good in the coming year, we would like to urge all friends of The Aleph Institute who have not already done so, to add your name to the on-line petition to the White House urging President Obama and the US Justice Department to investigate the extremely troubling circumstances surrounding the prosecution, trial and sentencing of Sholom Mordechai Rubashkin. (You can access and sign the petition by following the four simple steps outlined at the end of this e-mail.)

Adding your name to the petition will accomplish three important things (in addition to whatever impact it may have on the White House):

- 1) It will help Mr. Rubashkin's lawyers in their effort to persuade the US Supreme Court to accept his legal case for review.
- 2) It will give great personal chizuk to Mr. Rubashkin at a time when he so desperately needs it.
- 3) It will be a tangible expression of "v'yei'asu chulam agudah achas," unity with many thousands of other concerned Jews, whose hearts go out to Mr. Rubashkin and his family in their time of travail and who are extremely troubled by the shocking circumstances of his case.

Please do take a brief moment to sign on to the petition, still now in the waning hours of 5771 - and may we all be zoche to a shnas ge'ulah viy'shua.

Best wishes to you and yours for a kesiva va'chasima tova, l'shan tova umesukah!

The Aleph Institute
