 Win iphone 5

Dear jeff epstein;

Want an iPhone 5 for free? That's so easy! Firmoo.com is now launching an activity which offers you a great chance to win iPhone 5. You just need to place an order between 9/29/2011 and the day when iPhone 5 is released and write down your order number on our facebook wall, then invite your family or friends to "Like" your comment. The one who gets the most LIKES will get an iPhone 5 for free.

Moreover, you may go through https://www.facebook.com/FirmooGlasses?sk=app_190322544333196 to get a pair of free glasses if you have never tried our products!

Whether you can get a free iPhone 5 all depends on your friends and family.
