

low pile

LMSTED

'x7' 10''

The rug is hand-woven by skilled craftsmen, and is therefore unique.

The dense, thick pile creates a soft surface for your feet and also dampens sound.

Long-fiber wool gives the rug a natural sheen.

Pure new wool makes the rug naturally soil-repellent and durable.

Woolmark. 100% pure new wool.

Also available in (Prices may vary): black, brown, lilac
