Jeffrey,

Ref; Bell 430,

Tom Larson and Chuck Hallett (brokers helping us on the sale of our Bell 407), recommend offering \$2.3M for this Bell 430, rumor has it that \$2.7M may buy it, the current Broker is working out of Switzerland, but owner may have changed brokers, I'll contact Paul Schrader for his opinion regarding this Bell 430. The helicopter is located in "Australia", total time is 1,270 hours, and equipped with cocoon quit zone interior,. Overall heli is black, except for the Dragon Fly painted on one side of the fuselage,.

I'll gather more info and photos tomorrow for your consideration,.

B727 update: I have conference call with Don Bass, Tereck, Muhammad, Larry Morrison and myself at 1:30pm tomorrow, regarding the email that Bob sent regarding his opinion on Boeing condition,.

Thx,

Larry

Hi Larry,

Are you talking about the 430 in Australia that is being advertised by the broker in Switzerland. See attached.

It was being offered by a broker out of Europe.

Best regards,

Chuck Hallett
