It appears that John walked out of hotel without paying his invoice
He did not inform anyone however Daphne received from hotel call regarding unpaid invoice
Now John is asking to have deducted from his paycheck due to credit card fraud (very unlikely)
Please advise on how to handle John, hotel bill, and his desire to stay in NYC

Hi Rich,

I had some credit card fraud attempted by someone in Angola, so my CC company is issuing me a new card.

I need to pay a hotel bill for a hotel that Daphne booked for me. Would it be ok to have daphne pay for it and med deducting the amount from my invoice to you?

Or is that an accounting nightmare

Thanks

John
