Dear Cipriani Patrons,

It is with great pleasure that we announce the recent openings of **Cipriani Monte Carlo** and **Downtown Ibiza**.

In order to facilitate your visits over the summer and your future travel plans, we have attached a card (that you can also view below) with all our locations worldwide and direct contacts for your use and reservations.

You can of course always refer to our main office for any inquiries at + 1 212 499 0599.

We are also updating the Cipriani Global Database and would appreciate if you could provide your current information. If you would like to be removed from the list, please reply to [REDACTED].
