Valdson took the car to the repair shop and received a new corrected quote for repair \$13,313.12 Euros. It is an increase of 4,174.42 Euros (3468.30 Euros plus tax) for an increased cost of a custom made part, as this is a special Mercedes model (custom made car was made before you purchased it). Please advice if Valdson should go ahead with the repair.

Thank you.
Bella

URGENT

New quote received from MERCEDES (amounting to 13,313.12 € instead of 9,138.70 € due to increase of cost of the major spare parts). Explanation from MERCEDES: the spare parts can be confirmed only when ordered, and order can be placed only if down payment has been received. Valdson went this morning to pay with his card 3,000 € and immediately after he received the corrected updated new quote. See marked-up copy attached of the 2 quotes for full details.

Confirmation of order of the spare parts and repairs will start only when new quote is accepted. If accepted today, the car should be ready by next Friday the earliest, or beginning of the week starting June 11th.

Please advice.

Best regards.
