Water Temperature LED Faucet !

The color of the lighting changes depending on the temperature of the water that is coming out: blue means the water is cold, and red means the water is very hot.

As I was ready to make a short clip in the Faroe Islands, I asked my friend [+Adam Burton](#) to start recording by pressing the button but he accidentally pressed the shutter instead and took that shot..Kinda glad he did :) Interested in visiting the Faroes? visit <http://www.visitfaroeislands.com/>

Take your seat on the shore. Listen to the ancient voice in the waves. Taste

the salt of life on your tongue. Run your fingers through the eternal sand. Breathe deeply. If you find yourself worrying about your...
