i did in photoshop..., first picture- the colors are not right but i did it just to see the design with "four tiles"

the second picture is the arabic writing but can be done with Js and Es like in the third picture(the sketch).

what do you think would be better? "the four tiles" or the arabic writing with Js and Es?
the colors would be gray writing and the background that dark blue..

Darker blue gray writing

..should we do the four tiles, with JE in it so we get the design like in first picture attached? the background is dark blue. in the sample, on top it is white writing, at the bottom with gray writing..then i added some colors so we get kind of tiles design. in the second picture attached i did a drawing using J E so it looks arabic writing.., so it would look like in the picture you've sent it to me yesterday. we put the dark blue on the wall ..its same like in the sample in first picture attached.., should i put the design with four tiles on it? or what should we do? are you coming by any chance soon Isj? would be easier if you are here..
