Dear Mr. Epstein,

To tell you the truth I still do not have a book. I just started the demolition of my future projects... I started my company in November 2013 here in Brazil.

I already signed up for two projects of hotels in Rio. One is a "light refitting" and the other project it is the creation of a hotel. I also sign up for the creation of 6 apartments completely decorate in a historic building (for a total area of 2000m²). And now I am finalizing a contract for an apartment in Sao Paulo.

My style is based on a mixture of French influences and a Brazilian tropical spirit. My style is a contemporary classic in the spirit of Alberto. But I also realize classic decoration, beach houses...

Please find enclosed one photo of the future hotel and some photos of the apartments before the restoration.

Best regards

Jean

Dear Mr. Epstein,

Dear Sarah,

I don't know if you remember me I am Jean-Philippe DEJUST. I worked at the Cabinet Alberto Pinto until July 2013.

I inform you I stopped my collaboration with the cabinet Alberto Pinto. Now I have my own company in Brazil. I am working between Rio de Janeiro, Sao Paulo and Paris. If you travel to Brazil it will be a pleasure for me to organize you a tour.

Best regards

Jean-Philippe DEJUST
