Thank You.

It sounded like you didn't believe me when I talked about money. I'm sending you a screenshot of current balances. I don't bullshit you. I always assume you have access to everything I do and I have no reason to lie to you, even though you may not check it. I dislike this conversation so much, I try to delay it and use credit cards but I can't do that anymore. I must pay back over \$19 600 on credit cards and all I have is 900 spread across all bank accounts and 3000 in stocks/options.
