 [This Week on Kickstarter](#)

**NOVEMBER 08, 2012**

Before we get to this week's projects, a note from Kickstarter HQ. Last week we witnessed the impact of Hurricane Sandy on our neighbors and communities. Inspired by the many creators who've reached out to one another, we compiled a list of projects that are offering assistance or have been directly affected. You can see it [here](#).

 [Sir, You Are Being Hunted](#)

[Sir, You Are Being Hunted](#)

by Big Robot

 [Category](#) Video Games

 [Location](#) Bath, United Kingdom

### Tally-ho, tweedbots

The mechanical hounds have picked up the scent... and it's you. This is the world of *Sir, You Are Being Hunted*, a high-stakes survival game where players must sneak through bleak British countryside to avoid becoming human quarry for tweed-suited robots. The game generates a completely new world each time you hit play, meaning you can never flee the same way twice — if you manage to escape at all.

### 101 Cassette Tapes

by Lindsey Porter

 Category Fashion

 Location Oakland, CA

### Craft a mixtape

Lindsey Porter doesn't remember the '80s, but that doesn't stop her from seeking inspiration in the decade's outdated technology. Her line of homemade felt accessories includes floppy disk keychains, game controllers, and — her personal favorite — cassette tape zip pouches. Taking cues from vintage mixtapes found in thrift stores, she adorns each design with hand-stitched messages and retro-themed graphics. Nostalgia has never felt better.

### Morbid Anatomy Anthology

by Colin Dickey

 Category Nonfiction

 Location Brooklyn, NY

### Marvelously macabre

The rogue scholars behind Morbid Anatomy Presents specialize in the creepier nooks of knowledge — extreme taxidermy and human tattoo collection, to name a few — but their work is all the more fascinating for its macabre sensibility. This lavishly illustrated anthology will immortalize a year's worth of their most engrossing presentations, like a recent lecture on bookbinding with human skin. (We just hope their tome comes clad in old-fashioned leather.)
