Please join us for a conference call on Friday, November 2 at 11am ET.

Please join us for a conference call at 11am ET on Friday, 11/2, to discuss strategies around Election Day (11/6). We are in the final days prior to the US Presidential and Congressional elections. Specifically, we will discuss the following:

- Discussion of the Presidential swing states and when those polling booths close;

- Key Senate races to watch;
- Fixed income market implications driven by the outcome of the Presidential and Senate races; and
- Equity market implications, including both market behavior and sector strategies.

### **Hosted by:**

- [Thomas Lee](#), CFA Chief U.S. Equity Strategist and Managing Director

### **Featured Speakers:**

- Tom Block, founder Tom Block Consults and former Head of Government Relations for J.P. Morgan Chase (bio attached);
- [Terry Belton](#), Head of Global Fixed Income and FX Strategy and Managing Director.
