Elyse updated the attached back in June. This is an accurate reflection of the ownership of Black Family Partners. Thinking the BRH/AP Prof component may lead to questions I included something I had written up quite a while ago when I was building my own base of understanding on that piece of it. Jib and his associate are coming at 3pm today to meet with John and Wendy to walk through the connection of this to the larger Apollo org chart. I can conference you in if you like.
