Jeffrey,

The actual cost for Nastia computer with Apple care is \$3465.22. Nastia quote \$2499 did not include all extras, that she would like to have and Apple Care. Quote from Apple attached. Please confirm i can proceed with purchase.

Thank you,
Bella

Hello Bella! So here's the link to Apple Store. This is the MacBook Pro 15 inch with the strongest processor and more operative memory than the other ones. It's expensive but is worth it for the image rendering purpose. So we need to see what Jeffrey says. Regarding the software I was advised to talk to the professor when I come to my first class.

Thank you so much for your help!
