Dear Jeffrey

Enclosed please find Kendell's second bill for the federal case. As with the first bill, if you send me a check for the amount billed, I will send him a check for that amount. I appreciate it. Thanks.

Alan

Subject: Second bill

Dear Alan,

I am forwarding our second bill. As you recall, we previously received payment for the first statement. While we have already included a courtesy adjustment with respect to the bill, please let me know if you have any further questions or comments about it.

It is truly a privilege to represent you.

Best regards, Kendall
