Hi Cori. Makes sense. Thanks for the suggestion. I have another call that is scheduled to run until 2:00, and given past experience, it will run a bit longer. Would 2:30 work for you and John?

If so, Kristina/Bruce, I see that you just responded as to 2:00, how about 2:30? would that work for you?

All the best,  
Rick

Hi Rick,

Russ is meeting with Nathan today about the deal. It may be better to delay the phone conference until Monday. Does 2:00 Monday work for your team?

You should also know that this resolve is not due to getting rid of Aby as her partner, it is instead her unwavering desire to do a deal with Nathan. Nonetheless, if we are to have a deal with Nathan, we have to get our matters with Aby done sooner rather than later, as it is clear that he is losing his patience as to the delays.

Again, I fully appreciate your issues and concerns, and wish to structure this transaction in a way that meets your needs — that has not, and will not change—but, I also wish to share the ongoing time sensitivities we face and our need to engage with you as soon as reasonably possible to see if we can structure this relationship in a way that meets your needs, or not.

We're standing by to collaborate with you on this. Please let us know when you will be ready to do so.

Thanks!

All the best,

Rick

I hope this message finds you well.

We are interested in your progress following our discussion last Wednesday. Jennie remains committed to Nathan and to moving forward just as soon as a structure can be agreed upon. Please let us know where Nathan and you stand in the process.

Thanks very much.
