What are upper class values?

William Lifferth, Engineering Student

208.9k views

While not perfect, I think this table touches on a lot of the subtleties of upper class values and foci. While the middle and upper-middle class put a lot of emphasis and va... [Read More »](#)

How can I destroy my roommate's computer? [without leaving evidence]

Umar Farooqi, College student, Experience in sales

110.6k views

What I don't understand is why people are discouraging you from intending to break your roommate's laptop. Your question specifically states HOW you can destroy your roomma... [Read More »](#)

How should Republicans think about the choice of Hillary Clinton vs. Donald Trump?

Rory Cooper, Managing Director, Purple Strategies; Fmr Comms Director, Maj Leader Eric Cantor

202.1k views

This is probably the toughest question for most Republicans. I've been campaigning against Clintons in some fashion for nearly 20 years. Hillary Clinton put our national se... [Read More »](#)

Are we experiencing the beginning of the end of the EU?

Yanis Varoufakis, Professor, Greece's former finance minister, and initiator of DiEM25

489k views

I hope not but I fear we may very well be experiencing the EU's disintegration. The Eurozone has been, for some time now, in an advanced state of deconstruction. Think about... [Read More »](#)

What is the work life balance like at Google? What happens if you are running late for work one day?

 Anthony Yeh, Software Engineer

A few weeks ago I got stuck in unusually bad traffic and got to the office 10min late for our 10:30am team meeting. My manager saw me walk in and said, "Hey there you are! ... [Read More »](#)

I have made a new theory regarding special relativity, cosmology and quantum mechanics. I am still 14 so I do not know how to write it in a mathematical way but I have all the proofs in visual manner which show how energy, mass and time were formed. How do I publish without sufficient support?

 Carl-Fredrik Brodda
367.8k views

First of all - take none of this personally. I think you've done a great job, and you'll see why at the end.

I'm sorry to say this, but you don't have anything close to a... [Read More »](#)

Why was Steve Jobs so much richer than Steve Wozniak while they founded Apple together?

 Ryan Titmuss, Student
