Cyber Security: "Communications Considerations for Data Breaches & Cyber Attacks"

Presented By: Paul Verbinnen, President, Sard Verbinnen
Wednesday March 30th, 8:00am - 9:00am
Metropolitan Club, Manhattan

Paul Verbinnen, President of Sard Verbinnen, will provide a thorough overview on how the effects of data breaches and cyber attacks can be contained and/or mitigated by proper communication.

IMPORTANT MESSAGE: Cybercrime is at an all-time high and has become an ever increasing threat. IMG's Digital Forensic/Cyber Security division can assist with a comprehensive assessment of your I.T. systems. This assessment includes an evaluation of the current security system's policies and procedures and recommendations to enhance overall efficiency and cost effectiveness.

BACKGROUND INVESTIGATIONS/DUE DILIGENCE - IMG provides a comprehensive analysis of a potential business partner, entity, investor, employee or individual, both domestically and abroad. IMG conducts inquiries that include a federal criminal records, civil litigation, employment history, UCC filings and warrants, real and personal property holdings, all corporate and business affiliations, regulatory searches in relevant industries, United States Tax Court records, and a full media search, including relevant trade and business media.

SECURITY/EXECUTIVE PROTECTION - IMG provides secure transportation and security for your colleagues or family during international or domestic travel. IMG personnel conduct reconnaissance of the areas of the particular visit, which could include driving the routes and alternate routes, identifying safe locations, medical facilities and centers of law enforcement and liaising with other representatives, security organizations or government agencies as required. IMG performs a comprehensive analysis of a company's vulnerability to a range of threats, including terrorist attacks, natural disasters, workplace violence, theft and spying.

LITIGATION SUPPORT - IMG provides a range of investigative and intelligence-gathering services on behalf of attorneys and their clients. IMG assists legal counsel in the discovery process by identifying and interviewing witnesses, locating assets, assessing net worth, and conducting background investigations and surveillance when appropriate. When investigating internal fraud, workplace violence, sexual harassment and discrimination cases, IMG works with companies to uncover early warning signs, creates an action and response plan, and helps deploy professional staff to assist and counsel employees in the aftermath of an incident. To help build cases, IMG utilizes digital forensics to uncover infiltration or tampering with computer systems and electronic assets, and helps recover lost data and communications.
