Imagine you are running a marathon foot race against 5 other competitors. As you run the 26 miles, you see, as you run by them, the guys who started out fast now sitting al... [Read More »](#)

Would it be against the law to take a hammer to someone's car parked in my driveway?

Kelly Martin, IT geek, former law student, many other things.
633 votes

In the United States, and indeed in most places, there are only three situations in which you are permitted to take a hammer to a car:

1. The car belongs to you.
2. The car belong...

What is good advice for young people who want to become professional actors?

Aja Naomi King, Actress, How to Get Away with Murder, The Birth of a Nation
85 votes

The advice that I was always given when asking for advice about acting was that if I could imagine myself doing anything else, anything else at all, then go do that. It is ... [Read More »](#)

If I join Uber in 2015 as a software engineer with 0.3% equity stake, will I get at least a million when the company IPOs within 4 years at a 50 billion valuation?

 Antony Chen, Cat Herder
532 votes

First, if Uber is offering you 0.3% equity, take it. That's the most generous equity I've ever heard for a company at Uber's stage and growth. I'm pretty sure you either do... [Read More »](#)

What's it like to be shot at?

 Adam Carpenter
785 votes

I was shot at one time, and I'm ashamed to say, yes, it was awesome, particularly after you realize they missed. Here's how it happens: 1. You hear the shot. (That's a good ... [Read More »](#)

What is the saddest truth about life?

 Jason Guo

A few things come to mind that I have heard or experienced over the years (others can correct me if these are inaccurate):

Around a woman who is pregnant, do not mention t... [Read More »](#)

Does Google care or check how many times an employee brings a friend/guest to eat lunch?

Austin C Wells, Soon to be PM @Microsoft doing Identity on Hololens, Surface Book, and Xbox
412 votes

It's one of those things that falls into the "**don't be evil**" mantra.

If your family is visiting and Aunt Sue is person number three don't say, "Hey, sorry Sue, you're my ... [Read More »](#)

Is MIT hard for everybody?

Kay Aull
1.9k votes

I was an Olympiad medalist, and took my first grad course in my first semester at MIT. And yeah, I struggled.

There's always more to do. It's not like high school; you can... [Read More »](#)
