2016 Keynote speeches and performances

Tania is currently taking bookings for 2016 so if you are organising an event or conference and want to inspire your team, organisation, executive team or department she is your lady. There is a growing interest in the career paths of successful women and their lessons for success. This is combined with a real shortage of innovators and women leaders and entrepreneurs on the speaking platform.

Australia, being lucky is no longer enough

Australia has traditionally been a highly-successful and prosperous nation. On almost every important business index, we are accelerating. The stakes – the financial, social, environmental and political consequences – similarly are rising. Being lucky is no longer enough.

Fabulous video of Pot-Pourri performing a Flash Mob at Ritchies Mt Eliza

It seemed like a normal day at Ritchie's Mt Eliza. Appearing as store workers and shoppers before the performance, acclaimed Australian group Pot-Pourri had customers crying and cheering for more with their beautiful rendition of Bocelli's 'Time To Say Goodbye' from their recent CD 'Silver'.
