Please see below. This is the first round and does not include the changes made so I will review this in fine detail tomorrow and give you a call to discuss.

Subject: 301 EAST 66TH - PRELIMINARY PRICING

Hey Tara, So sorry for the delay, here is the 1st round of pricing.
We had a little trouble getting a few pricing from some of the sources.

We have also included the cost to warehouse, deliver & Install to the site.
We will need to get ordering because most of these require 12 Weeks to deliver which would put us right at the February date you wanted.
I have included both a pdf and the actual spreadsheet for your use.

I'm so sorry for the delay, but losing our server was a nightmare.

Thank you ,

Oren Whitfield
