To whom it may concern:

I hired Laurence Cousin to be my Estate Manager but I decided she will be a great help for my household as Artistic Director and House Manager for my female staff. Laurence is very creative and she managed to plan beautiful dinner parties and to set up my concerts including programs and invitations with a great sophistication.

Laurence was also aided in the handling of the female staff housekeepers, laundress and cook, dealing with travel arrangements and protocol, packing and unpacking. She was my personal shopper supervising my wardrobe, my cosmetics and doing all other personal errands for gifts and household decoration and design. At some point she was also in charge of the contractors and vendors always dealing courteously with them at all times.

Laurence is a very hard working, she understands very well how to manage a sophisticated household, and she is very detail oriented and honest.

I will recommend Laurence for any family in needs of an organized artistic Estate Manager to run their properties.

Sincerely,

Pamela Hoiles
