Dear Mr. Epstein

Please find attached the draft minutes from the first meeting of the Presidential Advisory Group which took place in Davos on the 24th January 2014 . Please let us know by next Monday if you have any comments.

Concerning remuneration please send me your bank details so we can prepare the bank transfers.

As a follow up to the meeting we have been asked by the president to prepare a work plan. As a first step I would therefore suggest that you kindly identify a number of elements in your area of specialization that deserve further attention. These points could then be discussed bilaterally between you and the President or his point of contact - the national security advisor - and will be incorporated into the common work plan.

Thank you for your participation in the board and looking forward to further cooperation in support of Mongolia.

Sincerely

Andrea Pfanzelter
