Our first meeting tomorrow is with Ari Glass. He is a friend of Izzy Englander and runs a multistrategy fund that takes the same approach as Millenium.

Izzy offered Ari a portfolio manager position on a large portfolio but Ari wants to be independent. He would like to work on this project with us should

We move forward. He will introduce to you his in depth views on the model and how it works and then the managers will present. I have attached his

Brochure as a reference.
